

RENEE M. CLARY

Professor of Geology, Director of the Dunn-Seiler Museum

Mississippi State University

Office: 662.325.5924

RClary@geosci.msstate.edu

ORCID 0000-0003-4066-8366

EDUCATION AND TRAINING

- 2003 Ph.D. Curriculum and Instruction, Science Education, Louisiana State University
1998 M.Ed. Curriculum and Instruction, Science Education, University of Louisiana - Lafayette
1997 M.S. Geology, University of Louisiana - Lafayette
1983 B.S. Chemistry, University of Louisiana - Lafayette

Additional Certifications

- 2018 Alda-Kavli Leadership Workshop, Alan Alda Center for Communicating Science
2014 Maroon Institute for Writing Excellence, Mississippi State University
2010 Distance Learning, Mississippi State University
2009 ESRI Arc GIS I
1982 Scanning Electron Microscopy, McCrone Research Institute

EMPLOYMENT

- 2018 - Professor, Director of the Dunn-Seiler Museum, Department of Geosciences, Mississippi State University (MSU); Affiliated Faculty, Social Science Research Center, Mississippi State University
2012-2018 Associate Professor, Director of the Dunn-Seiler Museum, Department of Geosciences, MSU
2007-2012 Assistant Professor, Director of the Dunn-Seiler Museum, Department of Geosciences, MSU
2006 Distance Learning Instructor, Department of Geosciences, MSU
2005-2006 Online Instructor, College of Science and Technology, Northwestern State University of Louisiana
2003-2005 Assistant Professor, Director of the X-Ray Center, Department of Geology, University of Louisiana at Lafayette (UL)
2000-2003 Adjunct Professor and Instructor, Department of Geology, UL
1999-2003 Instructor, South Louisiana Community College
1998 Research Assistant, Magnetic Products International
1984-1986 Chemistry and Calculus Instructor, Episcopal School of Acadiana
1984-1985 Chemist, Applied Science and Technology Laboratories, Dow Chemical, U.S.A., Louisiana Division
1981-1983 Chief Laboratory Assistant, Asbestos Research Program, University of Louisiana - Lafayette

AWARDS

- 2022 Fellow, Mississippi Academy of Sciences
2022 Best College Professor, *The Dispatch* Best of the Triangle
2021 Transformation Award, National Association of Geoscience Teachers (NAGT) Geoscience Education Research Division
2020 Southeastern Conference Faculty Achievement Award
2019 Fellow, American Association for the Advancement of Science
2019 Fellow, Geological Society of America
2018 Fellow, NextGen TIME Leadership Institute
2018 Fellow, Mississippi State University Community Engaged Learning
2017 Geological Society of America History and Philosophy of Geology Division Gerald M. and Sue T. Friedman Distinguished Service Award
2017 Best College Professor, *The Dispatch* Best of the Triangle
2016 Mississippi Academy of Sciences Outstanding Contributions to Science Award; Science Teacher of the Year

- 2014-2015 Mississippi State University Office of Research and Economic Development George Duke Humphrey Faculty Leadership Program
- 2014 Mississippi State University College of Arts & Sciences Dean's Eminent Scholar
- 2014 Elected member, International Commission on the History of Geological Sciences (INHIGEO)
- 2012 Gold Award (1st prize) Association Media & Publishing EXCEL Award, Magazines: Feature Article (20,001 to 50,000 readership) for *The Science Teacher*, "Kakatoa Erupts!" by Renee Clary & James Wandersee, National Science Teachers Association
- 2011 Mississippi Science Teachers Association Outstanding College Science Teacher
- 2010 Mississippi State University StatePride Faculty Award
- 2006 Elected Fellow, Geological Society of London, 2006
- 2009 Research Fellow, Geosystems Research Institute
- 1997 Richard G. Neiheisel Phi Beta Kappa Endowed Award, Outstanding Graduate Student
- 1983 University of Louisiana at Lafayette Outstanding Graduate, College of Sciences

Refereed Abstracts: Regional Presentations

- Clary, R.M., & Stanard, S. (2024). leaderSTATE STEM: Geoscience research disseminated within creative presentations. *Journal of the Mississippi Academy of Sciences*, 69(1), 234.
- Stanard, S., Clary, R.M., & Nagel, A. (2024). Impact of an interactive online exhibit on museum visitors' geological knowledge and interest. *Journal of the Mississippi Academy of Sciences*, 69(1), 233.
- Clary, R.M., Carlton, C., & Powers, M. (2024). Assessment of science identity among JROTC cadets within a one-week STEM residential summer camp. *Journal of the Mississippi Academy of Sciences*, 69(1), 231.
- Usachenko, N., Clary, R.M., Phillips, G., Nagel, A., & Schmitz, D. (2024). Paleontological insights from a lime quarry in Clay County, Mississippi. *Journal of the Mississippi Academy of Sciences*, 69(1), 135.
- Moe-Hoffman, A., Clary, R.M., & Owen Nagel, A. (2024). Accommodating color vision deficiencies within a visual scientific discipline. *Journal of the Mississippi Academy of Sciences*, 69(1), 128.

- Usachenko, N., Clary, R.M., Nagel, A., Schmitz, D., & Phillips, G. (2023). Paleontological site characterization of Upper Cretaceous strata within an agricultural lime mine, Clay County, MS. *Journal of the Mississippi Academy of Sciences*, 68(1), 116.
- Clary, R.M., Owen Nagel, A., & Shows, E. (2023). Streamlining a community college pathway for Mississippi geologists: Progress, potential—and persistence. *Journal of the Mississippi Academy of Sciences*, 68(1), 12.
- Clary, R.M., & Lemley, S.M. (2023, February). Agricultural applications & literacy strategies: A winning combination for engaging Mississippi students in scientific content *Journal of the Mississippi Academy of Sciences*, 68(1), 219
- Clary, R.M. (2023, February). Charles R. Knight’s paintings of early hominins: Reflections of unscientific presuppositions. *Journal of the Mississippi Academy of Sciences*, 68(1), 155.
- Clary, R.M. (2022). Geosciences content delivery: Changing perceptions for online *and* traditional teaching. *Geological Society of America Abstracts with Programs*, 54(4), <https://doi.org/10.1130/abs/2022NC-374823>.
- Clary, R.M., Owen Nagel, A., & Sumrall, J. (2022). Females, mothers, and geoscientists: Our personal gender challenges in stereotypes, childcare, and Covid-19. *Geological Society of America Abstracts with Programs*, 54(4), <https://doi.org/10.1130/abs/2022NC-374800>
- Leesburg, J. Clary, R.M., & Owen Nagel, A. (2022). Documenting unique geologic locations as virtual environments: Osborn Prairie, MS versus Sweeting’s Pond, Eleuthera. *Geological Society of America Abstracts with Programs*, 54(4), <https://doi.org/10.1130/abs/2022NC-375709>
- Mayo, A., Clary, R.M., & Owen Nagel, A. (2022). Expanding access to Dunn-Seiler Museum fossil specimens through virtual collections. *Geological Society of America Abstracts with Programs*, 54(4), <https://doi.org/10.1130/abs/2022NC-375792>
- Lyons, K., Katkar, A., Jimenez, A., Walker, R., Lalk, S., Owen Nagel, A., & Clary, R.M. (2022). The development and assessment of student-created interactive doodle notes as an effective teaching strategy in introductory geology courses. *Geological Society of America Abstracts with Programs*, 54(4), <https://doi.org/10.1130/abs/2022NC-374926>
- Clary, R.M. (2021) Geology courses with service: Leveraging community engagement to benefit Mississippi’s geologic heritage. *Journal of the Mississippi Academy of Sciences*, 66, 121.
- Clary, R.M. (2021). Envisioning the past for a public audience: Charles Knight’s murals in Chicago’s Field Museum. *Journal of the Mississippi Academy of Sciences*, 66, 97.
- Clary, R.M., Owen Nagel, A., Shows, E. (2021). Recruiting the future generation of geoscientists: Pandemic challenges within online courses. *Journal of the Mississippi Academy of Sciences*, 66, 76.
- Nagel, A.O., Clary, R. M., and Shows, E. (2021). Broadening Participation Through Online Introductory Geology Courses: Challenges from the Global Pandemic. *Geological Society of America Abstracts with Programs*. Vol. 53, No. 2, 2021 doi: 10.1130/abs/2021SE-362380.
- Clary, R.M. (2021). Informal learning integration within formal geosciences instruction: Leveraging field investigations for Community Engaged learning and Geoheritage appreciation in virtual classrooms. *Geological Society of America Abstracts with Programs*, 53(2), doi: 10.1130/abs/2021SE-361734
- Lyons, K., Jimenez-Arroyo, A., Katkar, A., Nagel, A., & Clary, R.M. (2021). The development and assessment of student-created interactive doodle notes as an effective teaching strategy in introductory geology courses. *Geological Society of America Abstracts with Programs*, 53(2), doi: 10.1130/abs/2021SE-362259
- Nagel, A., Clary, R.M., & Shows, E. (2021). Broadening participation through online introductory geology courses: Challenges from the global pandemic. *Geological Society of America Abstracts with Programs*, 53(2), doi: 10.1130/abs/2021SE-362380
- Clary, R.M., Forest Hill High School, Murrah High School, Wingfield High School, & Provine High School. (2020). A STEAM approach for high school research: Leveraging creativity within the MSU leaderSTATE STEM program. *Journal of the Mississippi Academy of Sciences*, 65(1), 151-152.

- Clary, R.M., Carlton, C., & Williams, S. (2020). Is it research if it's fun? Extending the STEM experience for JROTC students following a residential university summer camp. *Journal of the Mississippi Academy of Sciences*, 65(1), 95, 151.
- Clary, R.M. (2020). Scientific caricatures and the nature of science. *Journal of the Mississippi Academy of Sciences*, 65(1), 125.
- Clary, R.M., Nagel, A.O., & Shows, E. (2020). Our state has a (geological) history: Leveraging Mississippi's geology in an online historical geology course. *Journal of the Mississippi Academy of Sciences*, 65(1), 97.
- Moffitt, J., & Clary, R.M. (2020). Taphonomic analysis of a mosasaur specimen probing similarities with modern whale-fall ecosystems. *Journal of the Mississippi Academy of Sciences*, 65(1), 95.
- Broussard, J., Clary, R.M., & Phillips, G. (2019). Examining the faunal distribution and facies change of the Clayton Formation across the K-Pg boundary in Oktibeha County. *Journal of the Mississippi Academy of Sciences*, 64(1), 80.
- Clary, R.M. (2019). De la Beche's *Duria antiquior*: the pioneering visualization of ancient life reconstructions. *Journal of the Mississippi Academy of Sciences*, 64(1), 104.
- Clary, R.M. (2019). Facilitating "big picture" understanding: Community-engaged learning in college paleoecology courses. *Journal of the Mississippi Academy of Sciences*, 64(1), 138.
- Clary, R.M., Carlton, C., Walker, R., Smith, C., & Wilder, C. (2019). Leveraging creativity in a geosciences STEM introduction among Jackson, MS JROTC students: A STEAM approach for success. *Journal of the Mississippi Academy of Sciences*, 64(1), 135-136.
- Clary, R.M., Owen Nagel, A., & Shows, E. (2019). Geology for all Mississippians: MSVCC online courses extend geology course opportunities throughout the state. *Journal of the Mississippi Academy of Sciences*, 64(1), 83.
- Cho, Y., & Clary, R.M. (2019) Assessment of virtual rock specimens in a traditional introductory geology lab. *Journal of the Mississippi Academy of Sciences*, 64(1), 80.
- Leesburg, J., Truax, K., Cho, Y., & Clary, R.M. (2019). A preliminary review on the impact of weather on the geomorphology of Osborn Prairie Selma Chalk, Starkville, MS. *Journal of the Mississippi Academy of Sciences*, 64(1), 80-81.
- Moffitt, J., & Clary, R.M. (2019). Mosasaur occurrences in Cretaceous Mississippi strata. *Journal of the Mississippi Academy of Sciences*, 64(1), 81.
- Clary, R.M. (2018). Etheldred Benett: A woman's contributions to geology before Anning's "seashells on the seashore." *Journal of the Mississippi Academy of Sciences*, 63(1), 119.
- Clary, R.M. (2018). Agassiz's glacial theory: How a past controversy can inform modern climate change discussions." *Journal of the Mississippi Academy of Sciences*, 63(1), 141-142.
- Cho, Y., & Clary, R.M. (2018). Effective design and rendering of photogrammetric assets for virtual field trips." *Journal of the Mississippi Academy of Sciences*, 63(1), 142.
- Clary, R.M. (2018). Impact of teacher professional development in the sciences: Variation in teachers' content retention by scientific discipline." *Journal of the Mississippi Academy of Sciences*, 63(1), 142-143.
- Posadas, G., Walker, R., Clary, R., Hillesheim, C., Coley, A., Huston, K., Lee, S., & McDaniel, C. (2017). Analysis of post-secondary STEM-related educational pathways. *Journal of the Mississippi Academy of Sciences*, 62(1), 137.
- Huston, K., Walker, R., Clary, R., Hillesheim, C., Coley, A., Posadas, G., Lee, S., & McDaniel, C. (2017). Secondary STEM education and the influence of standardized assessments. *Journal of the Mississippi Academy of Sciences*, 62(1), 136.
- Walker, R., Clary, R., Hillesheim, C., Posadas, G., Lee, S., Huston, K., Coley, A., & McDaniel, C. (2017). Cost-benefit analysis of post-secondary STEM degree pathways. *Journal of the Mississippi Academy of Sciences*, 62(1), 136.
- Lee, S., Walker, R., Clary, R., Hillesheim, C., Coley, A., Posadas, G., Huston, K., & McDaniel, C. (2017). The relationship between high school STEM exposure and STEM college outcomes. *Journal of the Mississippi Academy of Sciences*, 62(1), 136.

- Clary, R.M. (2017). Plant Blindness in the fossil record: Paleobotanical representation in Mississippi's museum displays. *Journal of the Mississippi Academy of Sciences*, 62(1), 133.
- Clary, R.M. (2017). Mississippi's fossil park: Potential to engage informal learners for improved public geoliteracy. *Journal of the Mississippi Academy of Sciences*, 62(1), 133.
- Cho, Y., & Clary, R.M. (2017). Application of SfM-MVS photogrammetry in geology virtual field trips. *Journal of the Mississippi Academy of Sciences*, 62(1), 133.
- Clary, R.M. (2017). History of science: Proven value and projected potential in science classrooms. *Journal of the Mississippi Academy of Sciences*, 62(1), 132.
- Clary, R.M. (2017). Giveny science storybooks: Engaging elementary students in science exploration and concept identification. *Journal of the Mississippi Academy of Sciences*, 62(1), 132.

PRESENTATIONS

(Presentations may be cross-listed with Publications – Refereed Abstracts)

International Forums, Refereed

Clary, R.M. (2024, August). *Incorporating local landscapes and community engagement in college paleoscience classrooms for critical thinking, meaningful learning, and geoheritage appreciation*. Research paper presented at the 37th International Geological Congress, Busan, Korea.

Clary, R.M. (2024, August). *Etheldred Bennett (1776-1845) and the unacknowledged contributions of an early English woman geologist*. Research paper presented at the 37th International Geological Congress, Busan, Korea.

Clary, R.M., & Link-Perez, M. (2024, July). *Revisiting the term 'Plant Blindness' with community inclusion and ground-sourced alternatives*. Research paper presented at the XX International Botanical Congress (IBC), Madrid, Spain.

- Sharpe, T., & Clary, R.M. (2024, February). *Plesiosaurus as represented in Duria antiquior and its derivatives*. Research presentation for the History of Geology Group and Oxford University Museum of Natural History's Enormous Fossil Animal and Almost Perfect Skeleton Bicentenary Symposium. (invited)
- Clary, R.M., & Dockery, III, D.T. (2023, July). *Establishment and early development of the Mississippi Geological Survey, USA*. In K. Research paper presented at the 48th International Commission on the History of Geological Sciences (INHIGEO) Symposium, Cracow, Poland.
- Clary, R.M., Nagel, A., Leesburg, J., Mylroie, J.E., & Mylroie, J.R. (2023, June). *Virtual field excursions' potential for public access to unique karst landscapes: Challenges and opportunities in Geoheritage*. Research paper presented at the 4th Joint Symposium on the Natural History and Geology of the Bahamas, San Salvador, The Bahamas.
- Clary, R.M. (2023, April). *Scientific Caricatures in online science classrooms: Alternative assessment effectiveness in virtual environments*. Research paper presented at the National Association for Research in Science Teaching (NARST) 96th International Conference, Chicago, IL.
- Clary, R.M. (2022, September). *Prejudice on parade: Charles R. Knight's paintings on early hominins*. Research presentation at the 47th International Commission on the History of Geological Sciences (INHIGEO). Les Eyzies, France.
- Clary, R.M. (2021, July). *Henry Thomas De la Beche's (1796-1855) Duria antiquior: Temporal visualization within the Golden Age of Geology (1788-1840)*. Research Presentation at the 26th International Congress of History of Science and Technology, Prague, Czech Republic (virtual).
- Clary, R.M. (2021, July). *From gentleman to professional geologist: Henry De la Beche and the origins of the British Geological Survey*. Research paper presented at the 46th International Commission on the History of Geological Sciences (INHIGEO), Warsaw, Poland (virtual).
- Clary, R.M., Owen Nagel, A., & Shows, E. (2020, October). *Geology around me: Leveraging local environments in online introductory geology courses*. Research presented at the Geological Society of America Annual Meeting, Montreal, Canada (virtual).
- Clary, R.M. (2020, October). *Classrooms with impact: Leveraging community engaged learning in geosciences courses*. Research presented at the Geological Society of America Annual Meeting, Montreal, Canada (virtual).
- Clary, R.M. (2019, September). *Illustration within informal geological communication during the Golden Age of Geology (1788-1840)*. Research paper presented at the 44th International Commission of the History of Geological Sciences (INHIGEO) Symposium, Varese-Como, Italy.
- Clary, R.M. (2018, November). *The Royal School of Mines: Henry De la Beche's convergence of professionalization and public advocacy*. Research paper presented at the 43rd International Commission on the History of Geological Sciences (INHIGEO) Symposium, Mexico City, Mexico.
- Clary, R.M., & Sharpe, T. (2017). *The furthest end of the Earth: The role of geological research in Antarctic exploration, 1895-1922*. Research paper presented at the 42nd International Commission on the History of Geological Sciences (INHIGEO) Symposium, Yerevan, Armenia.
- Clary, R.M. (2016, August). *A history of early Antarctic fossils discoveries in support of the supercontinent Gondwana*. Research paper presented at the 35th International Geological Congress, Cape Town, South Africa.
- Clary, R.M. (2016, August). *US geoheritage and geoliteracy: Sustainable fossil parks and public geoscience education*. Research paper presented at the 35th International Geological Congress, Cape Town, South Africa.
- Clary, R.M. (2015, July). *Taken for granite? A case study analysis of rock and substrate interpretation in botanical gardens*. Research paper presented at the Botanical Society of America international conference, Edmonton, Alberta, Canada.
- Clary, R.M., Elder, A., Dunne, J., & Wax, C. (2014, October). *Equal, separate, or complementary? Contributions of online modules in a blended geoscience professional development program*. Research paper presented at the Geological Society of America Annual Meeting, Vancouver, BC, Canada.

- Theis, K., & Clary, R.M. (2014, October). *Geosites of northern California: A research investigation of potential geotourism and opportunities to improve public geoliteracy*. Research paper presented at the Geological Society of America Annual Meeting, Vancouver, BC, Canada.
- Clary, R.M. (2014, October). *Envisioning Deep Time: Henry De la Beche's contributions to scientific visualization*. Research paper presented at the Geological Society of America Annual Meeting, Vancouver, BC, Canada. (*invited*)
- Clary, R.M., & Wandersee, J.H. (2014, October). *College students' perceptions of the relative importance of Earth's natural resources: Implications for improved instructional approaches for enriched geoliteracy*. Research paper presented at the Geological Society of America Annual Meeting, Vancouver, BC, Canada. (*invited*)
- Clary, R.M. (2014, October). *Optimizing "fossil parks": Research-based implications for enhancing public geoliteracy within informal field environments*. Research paper presented at the Geological Society of America Annual Meeting, Vancouver, BC, Canada.
- Clary, R.M., & Wandersee, J.H. (2014, July). *The history of science in the science classroom: The past is the key to the future in science education*. Research paper presented at the 39th INHIGEO Symposium, Asilomar Conference Grounds, Pacific Grove, CA.
- Clary, R.M., & Wandersee, J.H. (2013, July). *The journey from elite society to government geologist: Henry De la Beche's powerful impact on the importance of observation within an emerging professional science*. Research paper presented at the 2013 International Congress of the History of Science, Technology, and Medicine, Manchester, UK.
- Clary, R.M., & Wandersee, J.H. (2012, August). *Geobiological opportunities to learn at US fossil parks*. Research paper presented at the 34th International Geological Congress, Brisbane, Australia.
- Clary, R.M., & Wandersee, J.H. (2012, August). *Integration of enquiry fossil research approaches and students' local environments within online geoscience classrooms*. Research paper presented at the 34th International Geological Congress, Brisbane, Australia.
- Wandersee, J.H., & Clary, R.M. (2012, August). *Talking Rocks: A study of the process of communicating science on a US public geopark trail using push-button audio interpretation stations*. Research paper presented at the 34th International Geological Congress, Brisbane, Australia.
- Wandersee, J.H., & Clary, R.M. (2010, May). Plant blindness—What research says. Invited public research lecture presented at Singapore Botanic Gardens' Botany Centre, National Parks Singapore, Republic of Singapore.
- Wandersee, J.H. & Clary, R.M. (2009, November). Research book, *Seeing plants: The theory of plant blindness*. Book debut presented at the BGCI 7th International Congress on Education in Botanic Gardens, Durban, South Africa.
- Wandersee, J.H., & Clary, R.M. (2009, June). *Knowledge Integration and Mapping*. Short course presented at the 2009 Delta Research and Global Observation Network (DRAGON) Asian Summit, Siem Reap, Cambodia.
- Clary, R.M., Brzuszek, R.F., & Wandersee, J.H. (2008, August) *Geology and design: Characteristics of successful landscape designs for incorporation of geologic time in informal education sites*. Research paper presented at the 33rd International Geological Congress, Oslo, Norway.
- Clary, R.M., & Wandersee, J.H. (2008, August). *Heroes and hardships: Is there value in the early history of polar exploration for the science classroom?* Research paper presented at the 33rd International Geological Congress, Oslo, Norway.
- Wandersee, J.H., & Clary, R.M. (2008, August). *Optimizing the Bretherton Diagram to improve visual understanding*. Research paper presented at the 33rd International Geological Congress, Oslo, Norway.
- Wandersee, J.H., & Clary, R.M. (2008, August). *The geomorphology of pipestone and its implications for geoscience education*. Research paper presented at the 33rd International Geological Congress, Oslo, Norway.
- Wandersee, J.H., & Clary, R.M. (2008, July). *A conceptual analysis of the 2007 documentary film King Corn with Implications for use in botany education*. Research paper presented at the Joint Annual Meeting of the Botanical Society of America and the Canadian Botanical Association, University of British Columbia, Vancouver, BC, Canada.
- Wandersee, J.H., & Clary, R.M. (2008, July). *Multisensory learning about stromatolites: Investigating the value added by field trips and fossil experiences*. Research paper presented at the Joint Annual Meeting of the Botanical Society of America and the Canadian Botanical Association, University of British Columbia, Vancouver, BC, Canada.

- Wandersee, J.H., & Clary, R.M. (2008, July). *A set of botany teaching implications drawn from the theory of plant blindness*. Symposium research paper presented at the Joint Annual Meeting of the Botanical Society of America and the Canadian Botanical Association, University of British Columbia, Vancouver, BC, Canada.
- Wandersee, J.H., & Clary, R.M. (2008, May). *A study identifying four gaps in the visitor experience that botanic gardens offer— A botanical education analysis of Sir David Attenborough's Work*. Research paper presented at the 2008 conference on The Role of Botanic Gardens in the 21st Century, The Linnaean Society, London.
- Clary, R.M., & Wandersee, J.H. (2007, November). *All are worthy to know the earth: Henry De la Beche and the origin of geological literacy*. Research paper presented at the Geological Society of London History of Geology Group In the Footsteps of the Founding Fathers celebration of the Bicentenary of the Geological Society of London, London, England.
- Wandersee, J.H., & Clary, R.M. (2007, October). *Envisioning a Rainbow Bridge: Eight selected research studies that reveal optimal opportunities to learn biology and geology at informal science education sites such as arboretums, botanic gardens, fossil parks, and museums*. Invited research paper presented at the 11th World Congress on Scientific Inquiry and Human Development, Beijing, China.
- Wandersee, J.H., & Clary, R.M. (2006, September). *Advances in research towards a theory of plant blindness*. Research paper presented at the 6th International Congress on Education in Botanic Gardens, Oxford, England.
- Clary, R.M., & Wandersee, J.H. (2005, November). *Florence Bascom's great expectations: The story of an innovative geology educator and inspiring mentor*. Research paper presented at the Geological Society of London History of Geology Group's special history of women in geology seminar, London, England.
- Wandersee, J.H., & Clary, R.M. (2005, July). *A research-based model for writing interpretive botanical trail signs*. Research paper presented at the Botanical Literacy Symposium of the 17th International Botanical Conference, Vienna, Austria.
- Clary, R.M., & Wandersee, J.H. (2004, August). *Geotourism meets geoeducation: A comparative study of the three US fossil parks*. Research paper presented at the 2004 international convention of the 32nd International Geological Congress, Florence, Italy.
- Wandersee, J.H., & Clary, R.M. (2004, April). *Learning on the trail: A content analysis of an arboretum's exemplary science signage system*. Research Paper presented at the 2004 annual international meeting of the National Association for Research in Science Teaching, Vancouver, BC, Canada.

National Forums, Refereed

- Clary, R.M. (2024, November). *Building community and expediting grading through student-produced 5-minute research summary presentations and videos*. Research paper presented at the SCST Presents: Optimizing Instructional Strategies at the National Association of Biology Teachers annual conference, Anaheim, CA.
- Owen Nagel, A., & Clary, R.M. (2024, November). *Building community in online classes for better student success*. Research paper presented at the SCST Presents: Optimizing Instructional Strategies at the National Association of Biology Teachers annual conference, Anaheim, CA.
- Clary, R.M. (2024, September). *Henry De la Beche (1796-1855) and Charles Knight (1874-1955): Drawing things together with paleontological art*. Research paper presented at the Geological Society of America Connects 2024 conference, Anaheim, CA.
- Clary, R.M., & Mikulic, D. (2024, September). *Lost in the collections: Dunn's Silurian foraminifera and biostratigraphic correlation*. Research paper presented at the Geological Society of America Connects 2024 conference, Anaheim, CA.
- Mikulic, D., & Clary, R.M. (2024, September). *From macro to micro: Advances in early twentieth century correlation of Midwestern Silurian rocks*. Research paper presented at the Geological Society of America Connects 2024 conference, Anaheim, CA.
- Stanard, S., Clary, R.M., Owen Nagel, A., & Winata, F. (2024, September). *Extending the instruction: Impact of optional e-resources within a one-week residential STEM leadership camp*. Research paper presented at the Geological Society of America Connects 2024 conference, Anaheim, CA.

- Clary, R.M. (2024, June). *U.S. fossil parks as paleontological resources: 21st century challenges for public fossil collecting and education*. Research paper presented at the 12th North American Paleontological Convention, Ann Arbor, MI.
- Clary, R.M. (2024, June). *#SeeingPlants: Revisiting interdisciplinary vignettes for botanical awareness and educational value*. Research paper presented at Botany 2024, Grand Rapids, MI.
- Link-Perez, M. & Clary, R.M. (2024, June). *In pursuit of inclusive nomenclature: A community-driven renaming process for 'Plant Blindness.'* Research paper presented at Botany 2024, Grand Rapids, MI.
- Clary, R.M., Nagel, A.O., & Haney, C. (2024, April). *Optimizing online STEM instruction in higher education*. Research paper presented at the 2024 Society for College Science Teaching Virtual Symposium.
- Clary, R.M. (2024, March). *SCST Presents: Encompassing diverse identities through history of science and stories of geoh heritage*. Research paper presented at the 2024 National Science Teaching Conference, Denver, CO.
- Clary, R.M., & Nagel, A.O. (2024, March). *Connect our youngest readers to nature through Giverny storybooks*. Research paper presented at the 2024 National Science Teaching Conference, Denver, CO.
- Clary, R.M. (2024, March). *NARST-Sponsored: Enrich your online classroom and promote students' critical thinking with scientific caricatures!* Research paper presented at the 2024 National Science Teaching Conference, Denver, CO.
- Clary, R.M., & Nagel, A.O. (2024, March). *ASTE: Use place-based science instruction to connect online students with their local environment*. Research paper presented at the 2024 National Science Teaching Conference, Denver, CO.
- Clary, R.M. (2024, January). *Teachers' retention of physics content within a hybrid professional development program*. Invited research paper presented at the American Association of Physics Teachers annual conference, New Orleans, LA.
- Lemley, S.M., Clary, R.M., Swanson, R., & Alley, K.M. (2023, November). *Teachers' scientific inertia: Misconception persistence after an intensive 10-day agricultural literacy institute*. Research paper presented at the Literacy Research Association Annual Conference, Atlanta, GA.
- Lemley, S.M., Alley, K.M., & Clary, R.M. (2023, November). *Building the architecture to incorporate 'literacy' in agricultural literacy*. Research paper presented at the Literacy Research Association Annual Conference, Atlanta, GA.
- Clary, R.M. (2023, October). *Resource extraction and a multiplicity of perspectives: Mississippi's stories of geoh heritage*. Research paper presented at the Geological Society of America Connects 2023 conference, Pittsburgh, PA.
- Clary, R.M., & Boss, S. (2023, October). *Broadening access: Welcome diverse voices through inclusive histories*. Research paper presented at the Geological Society of America Connects 2023 conference, Pittsburgh, PA.
- Moe-Hoffman, A., Clary, R.M., & Owen Nagel, A. (2023, October). *Seeing the science: Accommodating color vision deficiency for geosciences students*. Research paper presented at the Geological Society of America Connects 2023 conference, Pittsburgh, PA.
- Usachenko, N., Clary, R.M., Owen Nagel, A., Phillips, G., & Schmitz, D. (2023, October). *Paleontological site characterization of Upper Cretaceous strata within Clay County, Mississippi*. Research paper presented at the Geological Society of America Connects 2023 conference, Pittsburgh, PA.
- Clary, R.M. (2023, March). *College science teaching in the "New Normal" Students attitudes and preferences to optimize science learning*. Research paper presented at the Society for College Science Teaching Annual Meeting, Atlanta, GA.
- Clary, R.M. (2023, March). *Developing literacy in the science classroom: Strategies that transcend grade levels*. Research paper presented at the Society for College Science Teaching Annual Meeting, Atlanta, GA.
- Clary, R.M. (2023, March). *To see a (scientific) world in a grain of sand: Integrating sand in YOUR science classroom*. Paper presented at the National Science Teaching Association, Atlanta, GA.
- Clary, R.M., Carlton, C., & Powers, M. (2022, December). *Assessing underrepresented high school students' changing science identity within leaderSTATE STEM one-week residential camps*. Research paper presented at the American Geophysical Union Fall Meeting, Chicago, IL.

- Clary, R.M. (2022, December). *Cultural and DEI (Diversity, Equity, and Inclusion) considerations within community engaged learning embedded in university courses*. Research paper presented at the American Geophysical Union Fall Meeting, Chicago, IL. (invited Union session presentation)
- Clary, R.M., & Moe-Hoffman, A. (2022, December). *Mississippi long ago, and underwater: Art and science partnerships for effective science visualization at the Dunn-Seiler Museum*. Research paper presented at the American Geophysical Union Fall Meeting, Chicago, IL.
- Clary, R.M. (2022, October). *Optimizing informal education opportunities at Geoheritage sites: Effective communication to connect place, culture, and public awareness of global challenges*. Research paper presented at the Geological Society of America Connects 2022, Denver, CO. (invited Pardee presentation)
- Clary, R.M. (2022, October). *Women within the history of the geosciences: Using case studies to bring overdue recognition and illuminate cultural constraints and the nature of science*. Research paper presented at the Geological Society of America Connects 2022, Denver, CO.
- Alley, K., Lemley, S.M., Clary, R.M., Lemley, C.O., Stone, A., Swanson, R.M., & Messman, R.D. (2022, April). *Voices from the field: Agriculture educators' perspectives on equity in career and technical education*. Research paper presented at the American Educational Research Association, San Diego, CA.
- Clary, R.M., Lemley, S.M., & Alley, K. (2022, April). *ASTE-Sponsored Session: Seeding literacy strategies in agricultural science: An ACRE professional development success*. Research paper presented at the National Science Teaching Association National Conference, Houston, TX.
- Nagel, A.O., & Clary, R.M. (2022, April). *SCST-Sponsored Session: Active learning and field investigations using Google Earth in online classrooms*. Research paper presented at the National Science Teaching Association National Conference, Houston, TX.
- Clary, R.M., Nagel, A.O., & Shows, E. (2022, March). *SCST-Sponsored Session: Engaging geoscience learners WHERE they are: Promoting inclusion with common experiences, student-guided research, and place-based examples*. Research paper presented at the National Science Teaching Association National Conference, Houston, TX.
- Haney, C., & Clary, R.M. (2022, March). *SCST-Sponsored Session: Active learning strategies in online science courses through TAG feedback*. Research paper presented at the National Science Teaching Association National Conference, Houston, TX.
- Clary, R.M. (2022, March). *A perfect pair: Giverny Award-winning storybooks and elementary science literacy strategies*. Research paper presented at the National Science Teaching Association National Conference, Houston, TX.
- Clary, R.M., Nagel, A.O., & Shows, E. (2021, December). *Early gatekeepers at the state of a college geosciences pathway: The role of community college advisors*. Research paper presented at the American Geophysical Union Fall Meeting, New Orleans, LA.
- Clary, R.M., Nagel, A.O., & Shows, E. (2021, October). *Place-based education in online geology courses? A Geo-SPARCC success story*. Research paper presented at the Geological Society of America Connects 2021, Portland, OR.
- Clary, R.M. (2021, October). *Nevertheless, she persisted: Winifred Goldring and the practice and public dissemination of paleontology*. Research paper presented at the Geological Society of America Connects 2021, Portland, OR. (invited)
- Clary, R.M. (2021, October). *Geoheritage application across an educational spectrum: values and benefits within traditional classrooms and informal learning environments*. Research paper presented at the Geological Society of America Connects 2021, Portland, OR. (invited)
- Clary, R.M., & Dockery III, D.T. (2021, October). *Charles Lyell (1797-1875) in Mississippi: The historic Town Creek locale*. Research paper presented at the Geological Society of America Connects 2021, Portland, OR.
- Clary, R.M., Owen Nagel, A., & Ezell, E. (2021, July). *Virtual Earth Science: Research-based best practices and pedagogical successes in online geoscience courses*. Research presentation at the Earth Educators Rendezvous 2021 (virtual).
- Clary, R.M. (2021, May). *Make your science content relevant with Community Engaged Learning*. National Science Teachers Association Engage Spring 21, Chicago, IL (online).

- Clary, R.M. (2020, December). *Planned versus pivoted distance instruction: Lessons learned from the COVID-19 semester*. American Geophysical Union Fall Meeting, San Francisco, CA. (invited)
- Clary, R.M. (2020, December). *A tale of two sites: Opportunities to learn in Texas Fossil Parks*. American Geophysical Union Fall Meeting, San Francisco, CA.
- Clary, R.M. (2019, December). *Can community engaged learning unite geoscience research with practical applications within diverse global sites? Challenges and opportunities within online geoscience courses*. Research paper presented at the American Geophysical Union Fall Meeting, San Francisco, CA.
- Clary, R.M. (2019, November). *Use community engaged learning in biology classrooms to promote interdisciplinary "big picture" understanding*. Research paper presented at the 2019 National Association of Biology Teachers Professional Development Conference, Chicago, IL.
- Domenech, J., Clary, R.M., Dash, P., Schmitz, D.W., & Ambinakudige, S. (2019, September). *Community perceptions of water resources in local environments*. Research paper presented at the Geological Society of America Annual Meeting, Phoenix, AZ.
- Owen, A., Clary, R.M., & Shows, E. (2019, September). *Challenges and successes in design and construction of place-based online introductory geology courses*. Research paper presented at the Geological Society of America Annual Meeting, Phoenix, AZ.

- Clary, R.M., moderator; Cooke, W., Ambinakudige, S. Dash, P., Meng, Q., & Rodgers, J. (2015, October). *Geospatial science: How sense of place influences life*. Panel discussion for the Maroon Edition, Mississippi State, MS.
- Clary, R.M. (2015, October). *Florence Bascom: First professional US woman geologist with lasting impact!* Research presentation at the Geosciences Brown Bag meeting, Mississippi State, MS. (invited)
- Clary, R.M. (2015, May). *Fossils and geology of Mississippi: What time is it?* Presentation at the Columbus Kiwanis Club, Columbus, MS. (invited)

- Moe-Hoffman, A., Brown, R., Clary R.M., & Neuenfeldt, L. (2015 April). *Museums, galleries, and collections: How to utilize these treasures of MSU*. Presentation at the Center for Teaching & Learning Brown Bag, Mississippi State, MS. (invited)
- Epstein, A., with Keith, J. (moderator), Clary, R.M. (panelist). (2015, March). *The Moral Case for Fossil Fuels*. Panel discussion for the MSU Bagley College of Engineering Distinguished Lecture Series, Mississippi State, MS. (invited)
- Clary, R.M., & Wandersee, J. (2015, February). *Optimization of online discussion forums for students' climate literacy*. Research presentation at the Mississippi Academy of Sciences Annual Conference, Hattiesburg, MS. (refereed)
- Clary, R.M., Sumrall, J., & Wandersee, J. (2015, February). *Sense of Place writing templates: Integration of formative science assessments, student experiences, and Common Core English Language Arts standards*. Research presentation at the Mississippi Academy of Sciences Annual Conference, Hattiesburg, MS. (refereed)
- Clary, R.M., Tucker, D., Dunne, J., & Wax, C. (2015, February). *Teachers' perceived benefits and barriers to hands-on performance tasks in the science classroom*. Research presentation at the Mississippi Academy of Sciences Annual Conference, Hattiesburg, MS. (refereed)
- Clary, R.M., & Allen, P. (2015, January) *Engaging students through writing: Lessons from the Maroon Institute for Writing Excellence*. Presentation at the Center for Teaching & Learning Brown Bag, Mississippi State, MS. (invited)
- Clary, R.M. (2014, October). *A history of climate change*. Research presentation at the Geosciences Brown Bag meeting, Mississippi State, MS. (invited)
- Clary, R.M., Walker, R., Remo, J.P., & Wandersee, J.H. (2014, March). *Perceptions of art and graphic representation in college science classrooms*. Research presentation at the Mississippi Academy of Sciences Annual Conference, Hattiesburg, MS. (refereed)
- Wandersee, J.H., & Clary, R.M. (2014, March). *College students' perceptions of the relative importance of eight of the Earth's key natural resource categories*. Research presentation at the Mississippi Academy of Sciences Annual Conference, Hattiesburg, MS. (refereed)
- Clary, R.M., & Wandersee, J.H. (2014, March). *Arguing science: Using legitimate scientific controversies to engage students in discourse and the nature of science*. Research presentation at the Mississippi Academy of Sciences Annual Conference, Hattiesburg, MS. (refereed)
- McCormick, S., Walker, R., Clary, R., & McKissick, B. (2014, March). *An alignment of the Next Generation Science Standards to a historically significant curriculum*. Research presentation at the Mississippi Academy of Sciences Annual Conference, Hattiesburg, MS. (refereed)
- Muller, R., with Cooke, W (moderator), Clary, R.M. (panelist). (2013, November). *Global warming – Is it real? What if anything can we do?* Panel discussion for the Maroon Edition, Mississippi State, MS. (invited)
- Clary, R.M, Dunne, J., Beard, D., & Saebo, S. (2013, October) *TANS Share-a-Thon: Favorite classroom activities for chemistry, geosciences, and physics from the TEACHER ACADEMY IN THE NATURAL SCIENCES (TANS)*. Presentation at the Mississippi Science Teachers Association Annual Conference, Jackson, MS. (refereed)
- Clary, R.M. (2013, September). *A Coprolitic Vision for the geosciences*. Research presented at the Geosciences Brown Bag meeting, Mississippi State, MS. (invited)
- Clary, R.M., & Wandersee, J.H. (2013, February). *Krakatoa erupts! Using curiosity starter readings and sensory priming activities to initiate student-led inquiry*. Research presented at the Mississippi Academy of Sciences 2013 Annual Conference, Hattiesburg, MS. (refereed)
- Wandersee, J.H., & Clary, R.M. (2013, February). *A content analysis of Sir David Attenborough's botany teaching strategy*. Research presented at the Mississippi Academy of Sciences 2013 Annual Conference, Hattiesburg, MS. (refereed)
- Clary, R.M., Dunne, J., Beard, D., Elder, A., Saebo, S., Tucker, D., Wax, C. & Winter, J. (2013, February). *Teacher Academy in the Natural Sciences (TANS): Successful teacher professional development in chemistry, geosciences, and physics*.

- Research presented at the Mississippi Academy of Sciences 2013 Annual Conference, Hattiesburg, MS. (*refereed*)
- Clary, R.M. (2013, January). *Both ends of the Earth: Adventure, controversy, and discovery in the Polar Heroic Age*. Research presented at the Geosciences Tea Time meeting, Mississippi State, MS. (*invited*)
- Clary, R.M., & Wandersee, J.H. (2012, October). *Creative natural selection for your science classroom*. Research paper presented at the Mississippi Science Teachers Association Annual Conference, Jackson, MS. (*refereed*)
- Clary, R.M., Dunne, J., Saebo, S., & Beard, D. (2012, October). *TANS Chemistry share-a-thon: Effective activities to incorporate chemistry into your middle school science classroom*. Presentation at the Mississippi Science Teachers Association Annual Conference, Jackson, MS. (*refereed*)
- Clary, R.M., Dunne, J., & Wax, C. (2012, October). *TANS Geosciences share-a-thon: Effective activities to incorporate Earth science into your middle school science classroom*. Presentation at the Mississippi Science Teachers Association Annual Conference, Jackson, MS. (*refereed*)
- Clary, R.M., Dunne, J., & Winter, J. (2012, October). *TANS Physics share-a-thon: Effective activities to incorporate physics into your middle school science classroom*. Presentation at the Mississippi Science Teachers Association Annual Conference, Jackson, MS. (*refereed*)
- Hoffman, D., Clary, R., Copeland, T., Harvey, B., Hersey, M., Miller, P., Spain, & A. Witt, J. (2012, October). *Environment, Art, and Culture*. Faculty Panel presentation for the Maroon Edition, Mississippi State, MS. (*invited*)
- Clary, R.M., Rezek, J., Briley, C., Hoffman, D., Shoup, B., & Williamson, C. (2012, September). *Money changes everything? Dimensions of poverty in the contemporary world*. Faculty Panel presentation for the Maroon Edition, Mississippi State, MS. (*invited*)
- Clary, R.M., Wandersee, Johnson, M., & Hamil, B. (2012, February). *Integrating plants in the science classroom through our human-flower connection*. Research paper presented at the Mississippi Academy of Sciences 2012 Annual Conference, Hattiesburg, MS. (*refereed*)
- Clary, R.M., Wandersee, J.H., Kelly, J., & Hamil, B. (2012, February). *“Green” water bottles: Creative solutions for our planet*. Research paper presented at the Mississippi Academy of Sciences 2012 Annual Conference, Hattiesburg, MS. (*refereed*)
- Clary, R.M., & Wandersee, J.H. (2012, February). *Petrified wood in Mississippi’s K-12 science classrooms: An effective portal for misconception identification and interdisciplinary science study*. Research paper presented at the Mississippi Academy of Sciences 2012 Annual Conference, Hattiesburg, MS. (*refereed*)
- Wandersee, J.H., & Clary, R.M. (2012, February). *Design and testing of the Leonardo online discussion board strategy for college science teaching*. Research paper presented at the Mississippi Academy of Sciences 2012 Annual Conference, Hattiesburg, MS. (*refereed*)
- Brzuszek, R., & Clary, R.M. (2012, February). *Got an app for that? Using Smart Phones for learning on the trail*. Research paper presented at the National Association for Interpretation Region 3 Workshop, Nashville, TN (*refereed*)
- Clary, R.M., Tucker, D., & Dunne, J. (2012, February). *Teacher Academy in the Natural Sciences: Professional development for Mississippi’s middle school science teachers in geosciences, chemistry, and physics*. Presentation for the Mathematics and Science Partnerships Program Regional Conference, New Orleans, LA. (*invited*)
- Clary, R.M., & Brzuszek, R.F. (2011, October.) *Welty’s roots run deep: Geological and geographical influences upon the Old South*. Presentation for the Maroon Edition, Mississippi State, MS. (*invited*)
- Clary, R.M., & Wandersee, J.H. (2011, October). *Rock on! Using gravel in your science classroom to address weathering, erosion, geologic time, fossils, and MORE!* Research paper presented at the Mississippi Science Teachers Association 2011 Annual Conference, Jackson, MS. (*refereed*)
- Guyton, J., Clary, R.M., & Blackwell, H. (2011, October). *Weather forecasting and models for the outdoor classroom*. Presentation at the Mississippi Science Teachers Association 2011 Annual Conference, Jackson, MS. (*refereed*)

- Clary, R.M., Dunne, J., Saebo, S., & Beard, D. (2011, October). *Effective chemistry activities for the middle school science classroom: The Teacher Academy in the Natural Sciences (TANS) Chemistry Share-a-thon*. Presentation at the Mississippi Science Teachers Association 2011 Annual Conference, Jackson, MS. (refereed)
- Clary, R.M., Dunne, J., & Wax, C. (2011, October). *Effective geosciences instruction in the middle school science classroom: The Teacher Academy in the Natural Sciences (TANS) Geosciences Share-a-thon*. Presentation at the Mississippi Science Teachers Association 2011 Annual Conference, Jackson, MS. (refereed)
- Clary, R.M., Dunne, J., & Winter, J. (2011, October). *Effective physics instruction in the middle school science classroom: The Teacher Academy in the Natural Sciences (TANS) Physics Share-a-thon*. Presentation at the Mississippi Science Teachers Association 2011 Annual Conference, Jackson, MS. (refereed)
- Wandersee, J.H., & Clary, R.M. (2011, October). *Infuse your science course with green learning!* Research paper presented at the Mississippi Science Teachers Association 2011 Annual Conference, Jackson, MS. (refereed)
- Clary, R.M., Kelly, J. Hamil, B., & Moe Hoffman, A. (2011, February). *Capitalizing on informal science education opportunities: National Fossil Day and the Geology of Mississippi*. Research paper presented at the Mississippi Academy of Sciences annual conference, Hattiesburg, MS. (refereed)
- Clary, R.M., & Wandersee, J.H. (2011, February) *Can online discussion boards facilitate students' climate change literacy and the understanding of the nature of science?* Research paper presented at the Mississippi Academy of Sciences annual conference, Hattiesburg, MS (refereed)
- Wandersee, J.H., & Clary, R.M. (2011, February). *"Encouraging a clever pupil" How Linnaeus integrated teaching and research*. Research paper presented at the Mississippi Academy of Sciences annual conference, Hattiesburg, MS. (refereed)
- Hamil, B.W., Clary, R.M., & Weir, J. (2011, January). *Teachers for a Competitive Tomorrow*. United States Department of Education TCT Project Director's Summit, Washington, D.C. (invited)
- Clary, R.M., Brzuszek, R.F., & Wandersee, J.H. (2010, November). *The future of K-12 water education: The 2010 Mississippi framework and the proposed National Research Council framework for science education*. 2009 Mississippi Water Resources Conference, Bay St. Louis, MS. (refereed)
- Clary, R.M., Dunne, J., Saebo, S., & Beard, D. (2010 October). *Teacher Academy in the Natural Sciences (TANS): Chemistry Share-a-thon for middle school science teachers*. Presentation at the Mississippi Science Teachers Association 2010 Annual Conference, Jackson, MS. (refereed)
- Clary, R.M., Dunne, J., & Wax, C. (2010 October). *Teacher Academy in the Natural Sciences (TANS): Geosciences Share-a-thon for middle school science teachers*. Presentation at the Mississippi Science Teachers Association 2010 Annual Conference, Jackson, MS. (refereed)
- Clary, R.M., Dunne, J., & Winter, J. (2010 October). *Teacher Academy in the Natural Sciences (TANS): Physics Share-a-thon for middle school science teachers*. Presentation at the Mississippi Science Teachers Association 2010 Annual Conference, Jackson, MS. (refereed)
- Clary, R.M., & Wandersee, J.H. (2010 October). *It's all about scale: How to convey geologic time and Mississippi's geologic history in your science classroom*. Research paper presented at the Mississippi Science Teachers Association 2010 Annual Conference, Jackson, MS. (refereed)
- Hamil, B., Beard, D., Chevalier, D., Clary, R., Dunne, J., & Saebo, S. (2010, October). *Creative future science teachers*. Research paper presented at the Mississippi Science Teachers Association 2010 Annual Conference, Jackson, MS. (refereed)
- Wandersee, J.H., & Clary, R.M. (2010 October). *Teach your students two new science strategies*. Research paper presented at the Mississippi Science Teachers Association 2010 Annual Conference, Jackson, MS. (refereed)
- Clary, R.M., & Grimes, C. (2010, August). *Three Cups of Tea: Building a School in a Land of Extremes: The Geology of Pakistan*. Presentation for the Maroon Edition, Mississippi State, MS. (invited)
- Clary, R.M., & Wandersee, J.H. (2010, February). *History of geology and unique trace fossils: "A Coprolitic Vision" for science education*. Research paper presented at the Mississippi Academy of Sciences 2010 Annual Conference, Hattiesburg, MS. (refereed)

- Wandersee, J.H., & Clary, R.M. (2010, February). *A text content analysis of the new Earth Science Literacy Principles: Implications for geoscience instruction*. Research paper presented at the Mississippi Academy of Sciences 2010 Annual Conference, Hattiesburg, MS. (refereed)
- Clary, R.M., & Guyton, J. (2009, November). *CSI fossils part II: What time is it in Mississippi?* Workshop presented at Noxubee National Wildlife Refuge, MS. (invited)
- Clary, R.M., & Wandersee, J.H. (2009, October). *Bone Wars: Investigate the nature of science through the greatest science soap opera of all times!* Research paper presented at the Mississippi Science Teachers Association 2009 Annual Conference, Jackson, MS. (refereed)
- Hamil, B., Beard, D., Chevalier, D., Clary, R., Dunne, J., & Saebo, S. (2009, October). *Creative science teachers*. Research paper presented at the Mississippi Science Teachers Association 2009 Annual Conference, Jackson, MS. (refereed)
- Wandersee, J.H., & Clary, R.M. (2009, October). *Hook them with fishbone diagramming!* Research paper presented at the Mississippi Science Teachers Association 2009 Annual Conference, Jackson, MS. (refereed)
- Clary, R.M., & Brzuszek, R.F. (2009, August). *Gulf Coast watersheds and water education: Outreach alignments and best practices*. 2009 Mississippi Water Resources Conference, Tunica, MS. (refereed)
- Clary, R.M., & Wandersee, J.H. (2009, February). *Scientific caricatures: Incorporation of visualization tools from the Golden Age of Geology (1788-1840) in modern science classrooms*. Research paper presented at the Mississippi Academy of Sciences 2009 Annual Conference, Olive Branch, MS. (refereed)
- Wandersee, J.H., & Clary, R.M. (2009, February). *Investigating the Polymath™ System of textbook annotation*. Research paper presented at the Mississippi Academy of Sciences 2009 Annual Conference, Olive Branch, MS. (refereed)
- Clary, R.M., & Wandersee, J.H. (2008, October). *Use Mississippi Marquee Fossils to integrate geology, biology, and environmental science*. Research paper presented at the Mississippi Science Teachers Association 2008 Annual Conference, Jackson, MS. (refereed)
- Guyton, J. & Clary, R.M. (2008 October). *Fun with rocks*. Workshop and demonstration presented at the Mississippi Science Teachers Association 2008 Annual Conference, Jackson, MS. (refereed)
- Wandersee, J.H., & Clary, R.M. (2008, October). *1,000 new examples to teach about flowering plants*. Research paper presented at the Mississippi Science Teachers Association 2008 Annual Conference, Jackson, MS. (refereed)
- Clary, R.M., & Guyton, J. (2008, September). *CSI Fossils*. Workshop presented at Noxubee National Wildlife Refuge, MS. (invited)
- Guyton, J., & Clary, R.M. (2008, August). *Fun with rocks and minerals*. Workshop presented at Noxubee National Wildlife Refuge, MS. (invited)
- Clary, R.M. (2008, May). *Geology rocks! An introduction to geology in Mississippi*. Mississippi Master Naturalist program, Mississippi State University Coastal Research Center, Biloxi, MS. (invited)
- Buell, N.R., Schmitz, D., Clary, R.M., & Dewey, C. (2008, April). *A look at regular grade gasoline reacted with hydrogen peroxide in a laboratory setting—what's left after the BTEX is gone*. 57th Annual Meeting Southeastern Section Geological Society of America, Charlotte, NC (refereed)
- Clary, R.M., Boss, S., & Wandersee, J. (2008, April). *Teacher perceptions of an introduction to virtual field exercises in an online geology classroom*. 57th Annual Meeting Southeastern Section Geological Society of America, Charlotte, NC. (refereed)
- Clary, R.M., & Wandersee, J.H. (2007, October). *Use writing templates to determine your students' science sense of place*. Mississippi Science Teachers Association 2007 Annual Conference, Jackson, MS. (refereed)
- Clary, R.M., & Wandersee, J.H. (2007, February). *A critical evaluation of public opportunity to learn geobiology at the Mississippi Petrified Forest in Flora, MS*. Research paper presented at the 2007 annual meeting of the Mississippi Academy of Sciences, Mississippi State, MS. (refereed)

- Clary, R.M., & Wandersee, J.H. (2006, October). *The Pet Rock Project™: Make Earth science informative AND fun!* Research paper presented at the 2006 Louisiana Association of Teachers of Mathematics and Louisiana Science Teachers Association Conference, Shreveport, LA. (refereed)
- Wandersee, J.H., & Clary, R.M. (2006, October). *Use our writing templates to probe your students' senses.* Research paper presented at the 2006 Louisiana Association of Teachers of Mathematics and Louisiana Science Teachers Association Conference, Shreveport, LA. (refereed)
- Wandersee, J.H., & Clary, R.M. (2006, February). *How to make a school nature trail.* Research paper presented at the 2006 annual Louisiana Environmental Education Symposium, Baton Rouge, LA (refereed)
- Clary, R.M., & Wandersee, J.H. (2004, October). *Aquarium view graphics: How to teach and test with them.* Research paper presented at the 2004 state convention of the Louisiana Science Teachers Association, Lafayette, LA. (refereed)
- Clary, R.M., & Wandersee, J.H. (2004, October). *Visual survey and analysis of botanical garden signage types.* Research paper presented at Missouri Botanical Garden, St. Louis, MO. (invited)
- Wandersee, J.H., & Clary, R.M. (2004, October). *How to write interpretive science signs for adults and for children.* Research paper presented at Missouri Botanical Garden, St. Louis, MO. (invited)
- Wandersee, J.H., & Clary, R.M. (2004, January). *Research perspectives of a university arboretum's exemplary interpretive science signage system.* Invited public research paper presented at Missouri Botanical Garden, St. Louis, MO. (invited)
- Wandersee, J.H., & Clary, R.M. (2004, January). *Public perception and understanding of plants at botanic gardens: Some relevant research findings.* Invited public research paper presented at Missouri Botanical Gardens, St. Louis, MO. (invited)
- Clary, R.M., & Wandersee, J.H. (2003, December). *Mary Anning: Geology, biology, rhyme, and deep time;* Research paper presented at the 2003 state convention of the Louisiana Science Teachers Association, New Orleans, LA (refereed)
- Myers, M. & Clary, R.M. (1984, February). *PAC polyols.* Research paper presented at the Louisiana Technology Conference, Baton Rouge, LA (refereed)

 GRANTS AND FELLOWSHIPS

- | | |
|-----------|--|
| 2023-2027 | Senior Personnel, RII Track-2 FEC: An Interdisciplinary Program for Research, Education, and Outreach on Climate Change and Adaptive Resilience in the Yazoo - Mississippi Delta, National Science Foundation Award 2316382, \$3,999,169.00. |
| 2023-2024 | Co-PI, leaderSTATE STEM Leadership Development Camp; US Army Cadet Command/JPS ROTC, Award W9124D23C0026 \$320,311.88. |
| 2023-2024 | Co-PI, Optimizing Education for Color Blind Students: Expanding Access to EnChroma Glasses. Mississippi State University Access Diversity and Inclusion, Inclusion Through Innovation, \$1500. |
| 2023-2025 | PI, PLANNING: Advancing Geosciences Cultural Change in Access, Diversity, and Inclusion via History of Geology and Environmental Injustice (ADI Geo-History). National Science Foundation Award 2310698, \$200,000.00 |
| 2022 | University of Oklahoma Andrew W. Mellon Travel Fellowship, \$1900. |
| 2021-2022 | Co-PI, Geosciences: Recruitment and Supplemental Funding, Mississippi State University Office of the Graduate School, \$16,000. |
| 2021-2023 | Co-PI, US Department of Agriculture National Institute of Food and Agriculture, Agricultural Science Professional Development (ACRE) Project, \$300,000,00 (Award ID 2021-67037-34210) |
| 2018-2023 | PI, NSF IUSE: GP-IMPACT: Geosciences Streamlined Pipeline And Research for Community Colleges (Geo-SPARCC), \$325,626.00 (Award ID 1801306) |
| 2018-2020 | Co-PI, leaderSTATE STEM Leadership Development Camp; US Army Cadet Command/JPS ROTC, \$1,524,219.00. |

- 2019-2020 PI, Geosciences: Recruitment and Supplemental Funding, Mississippi State University Office of the Graduate School, \$10,000.
- 2019 Co-PI, Creation of Virtual Field Trips of Select Bahamian National Parks. International Permit Approved, The Bahamas Environment, Science & Technology (BEST).
- 2018-2019 PI, Geosciences: Recruitment and Supplemental Funding. Mississippi State University Office of the Graduate School, \$25,000.
- 2016-2018 STEM partner/co-PI, leaderSTATE Leadership Development Camp; US Army Cadet Command/JPS ROTC, \$487,054.
- 2017 Co-PI, STEM Within Borders, Mississippi State University Office of Research and Economic Development Cross College Research Program, \$2000
- 2017-2018 PI, Geosciences: Recruitment and Supplemental Funding. Mississippi State University Office of the Graduate School, \$30,000.
- 2017 Travel Grant, International Society of the History of Earth Sciences (INHIGEO) 50th Anniversary conference, Yerevan, Armenia. Mississippi State University Office of Research and Economic Development and the College of Arts & Sciences \$1000.00.
- 2017 Travel grant, *Resources for Collections-Based Undergraduate Education Faculty Mentoring Network*, University of Florida; May 24-25, 2017; iDigBio (Integrated Digitized Biocollections), QUBES (Quantitative Undergraduate Biology Education and Synthesis), Kurator, AIM-UP! (Advancing Integration of Museum into Undergraduate Programs), and BLUE (Biodiversity Literacy in Undergraduate Education); \$1500.
- 2017 Co-PI, Scopes and Sketches, Schillig Special Teaching Projects Program, \$2900.
- 2017 Travel grant, *Digital Data in Paleontological Research*; University of California at Berkeley; March 27-18, 2017; iDigBio Integrated Digitized Biocollections; \$1500.
- 2016 Travel Grant, International Geological Congress, Cape Town, South Africa. Mississippi State University Office of Research and Economic Development and the College of Arts & Sciences \$1500.00.
- 2016 Co-PI, Career Scout: Navigating students through postsecondary training to sustainable careers. Mississippi State University Office of Research and Economic Development Cross College Research Program; \$2000.
- 2016 Co-PI, Working Group on the cognitive and neural mechanisms of learning. Mississippi State University Office of Research and Economic Development Cross College Research Program, \$2000.
- 2016-2017 PI, Geosciences: Recruitment and Supplemental Funding. Mississippi State University Office of the Graduate School, \$25,000.
- 2016 Co-PI, An Interactive Augmented Reality Sandbox for Three-dimensional Visualization of Earth Surface Processes and Development of Spatial Reasoning Skills. Schillig Special Teaching Projects Program, \$2715.
- 2011-2015 Co-PI, Hazards TEAMS: Teacher Education & Activities for Minority Students in the Meteorological, Geologic, and Hydrologic Hazards. National Science Foundation OEDG Track 1, \$199,787.00
- 2015 Travel Grant, Geological Society of America, Baltimore, MD, Mississippi State University Office of Research and Economic Development and the College of Arts & Sciences \$1250.00.
- 2015 PI, Bringing the “field” into Earth Science classrooms: Geological specimens, samples, models, and manuals to facilitate inquiry investigations and active learning. Schillig Special Teaching Projects Program, \$2999.
- 2015 Travel grant, Paleo Imaging Workshop; University of Texas at Austin Jackson School of Geosciences April 28 – May 2, 2015; iDigBio Integrated Digitized Biocollections; \$1500.

- 2014 Travel Grant, International Society of the History of Earth Sciences (INHIGEO), Asilomar, CA. Mississippi State University Office of Research and Economic Development and the College of Arts & Sciences \$1500.00.
- 2014 Co-PI, Place-Based Pedagogy and Scientific Literacy in Middle School Classrooms, Mississippi State University Office of Research and Economic Development Cross College Research Program, \$2000.
- 2010-2013 Co-PI and Co-Director, Teacher Academy in the Natural Sciences (TANS), Mississippi Department of Education Mathematics and Science Partnerships, \$1,464,189.46.
- 2013 Co-PI, Science Education Games Group Initiative (SEGG). Mississippi State University Office of Research and Economic Development Cross College Research Program, \$2000.
- 2013 Co-PI, Using Art and Technology to Facilitate Learning in a Laboratory Setting, Schillig Special Teaching Projects Program, March 2013, \$2,850.
- 2013 Travel grant, 24th International Congress of History of Science, Technology and Medicine, Manchester, England. Mississippi State University Office of Research and Economic Development and the College of Arts & Sciences \$1750.00.
- 2008-2012 PI, Creative Research-Based Science Teachers for a Competitive Tomorrow (Co-PI, 2008-2011). US Department of Education; P381A080011 09010025, \$1,200,000.
- 2012 PI, Utilization of Visualization Techniques to Draw Interdisciplinary Departments Together. Mississippi State University Office of Research and Economic Development Cross College Research Program, \$2000.
- 2012 Co-PI, Using a Historically Significant Curriculum to Address Current Challenges in Science Education. Mississippi State University Office of Research and Economic Development Cross College Research Program, \$2000.
- 2008-2010 Co-PI, Faculty Art Incentive Project, Sculpture of *Dunnicrinus* for the Dunn-Seiler Museum, \$4,400.00
- 2009 Co-PI, Concept-Mapping as a Knowledge Integration Tool for the DRAGON Summit Partners. The Caddo Lake Institute, \$7426.62.
- 2005 PI, President's Award: Expansion of audio-visual capabilities in Rougeau 332, STEP classroom, University of Louisiana at Lafayette; \$25,000.
- 2005 PI, STEP Grant for the purchase of audio-visual equipment for Virtual Field Trips in the classroom, University of Louisiana at Lafayette; \$3,730.
- 2005 Co-PI, STEP Grant for the purchase and implementation of a GeoWall system, University of Louisiana at Lafayette; \$17,745.
- 2004 Co-PI, STEP Grant for the implementation of advanced audio-visual equipment in Madison 229 (SMART classroom), University of Louisiana at Lafayette; \$25,000.
- 2004 PI, Mini-Grant for Instructional Improvement: Enhancing geology instruction: The portable digital camera for microscopy, University of Louisiana at Lafayette; \$400.
- 1997-1998 Board of Regents Fellowship in Geology, \$24,000.

 PROFESSIONAL SOCIETIES

Fellow, American Association for the Advancement of Science
 Fellow, Geological Society of America
 Fellow, Geological Society of London
 Fellow, Mississippi Academy of Sciences
 Lifetime Member, International Geological Congress
 Lifetime Member, International Botanical Congress
 Lifetime Member, International Commission on the History of Geological Sciences (INHIGEO)

Member, American Association of Petroleum Geologists
Member, American Educational Research Association
Member, American Geophysical Union
Member, Association for Science Teacher Education
Member, Association for Women Geoscientists
Member, History of Earth Sciences Society
Member, History of Geology Group (Geological Society of London)
Member, Kappa Delta Pi
Member, Mississippi Science Teachers Association
Member, National Association of Biology Teachers
Member, National Association of Geoscience Teachers
Member, National Association for Research in Science Teaching
Member, National Earth Science Teachers Association
Member, National Science Teaching Association
Member, Phi Kappa Phi
Member, School Science and Mathematics Association
Member, Society for College Science Teachers

GRADUATE STUDENTS

Dissertation Director

Mark John Powers, PhD in Earth and Atmospheric Sciences, 2021, Mississippi State University
Youngwoo Cho, PhD in Earth and Atmospheric Sciences, 2020, Mississippi State University
Julia Domenech, PhD in Earth and Atmospheric Sciences, 2020, Mississippi State University
Jeanne. L. Sumrall, PhD in Earth and Atmospheric Sciences, 2015, Mississippi State University

Dissertation Committee Member

Alan Nolan, Ph.D. in Science and Mathematics Education, 2018, University of Southern Mississippi.
Brittany Garner, Ph.D. in Earth and Atmospheric Sciences, 2017, Mississippi State University.
Christina McDaniels, Ph.D. in Curriculum and Instruction, 2017, Mississippi State University
R. Jason Lenz, Ph.D. in Earth and Atmospheric Sciences, 2014, Mississippi State University.
Patricia Kambesis, PhD in Earth and Atmospheric Sciences, 2014, Mississippi State University.

Thesis Director

Natalya Usachenko, MS in Geosciences, 2024, Mississippi State University
Amanda Mayo, MS in Geosciences, 2024, Mississippi State University
Joshua Broussard, MS in Geosciences, 2023, Mississippi State University
Kelisha Stamps, MS in Geosciences, 2021, Mississippi State University
Caleb Carlton, MS in Geosciences, 2021, Mississippi State University
Joseph Moffitt, MS in Geosciences, 2020, Mississippi State University
Marvin Kunath, MS in Geosciences, 2018, Mississippi State University
Randi Robison, MS in Geosciences, 2018, Mississippi State University
Glenn Myrick, MS in Geosciences, 2018, Mississippi State University
Claire Rose, MS in Geosciences, 2017, Mississippi State University (Co-Director with D. Schmitz)
Curt Burbach, MS in Geosciences, 2016, Mississippi State University
Brittany Garner, MS in Geosciences, 2016, Mississippi State University (Co- Director with D. Schmitz)
Kimberly Theis, MS in Geosciences, 2015, Mississippi State University
David Ramseyer, MS in Geosciences, 2012, Mississippi State University

Anna Mulvihill; M.S. in Geology, 2003, University of Louisiana at Lafayette

Thesis Committee Member

Maurice Testa, MS in Geosciences, 2015, Mississippi State University.
John Banks, M.S. in Geosciences, 2014, Mississippi State University.
Max Cooper, M.S. in Geosciences, 2014, Mississippi State University.
Kinsey Byrd, M.S. in Geosciences, 2013, Mississippi State University.
Jeremy M. Weremeichik, M.S. in Geosciences, 2013, Mississippi State University.
Frances M. Welch, M.S. in Education, 2009, Mississippi State University.
Nancy R. Buell, M.S. in Geosciences, 2008, Mississippi State University.
J.C. Whitenell; M.S. in Geology, 2005, University of Louisiana at Lafayette.
Joan Kester; M.S. in Geology, 2004, University of Louisiana at Lafayette.
Jane-Clair Kerin; M.S. in Geology, 2004; University of Louisiana at Lafayette.
Dawn E. Standridge; M.S. in Geology, 2004, University of Louisiana at Lafayette.

Current Master's Students

Ethan Hogg * Abigale Kelly * Natalya Usachenko * Alyssa Wurtz

Current Doctoral Students

Derek Anderson * Karly Rankin

TEACHING

Undergraduate Courses

Earth History * Earth Science for Elementary Education Majors * Geochemistry * Geology and Man * Historical Geology * Instrumental Examination of Earth Materials * Invertebrate Paleontology * Practicum in Paleontology * Principles of Paleobiology * Principles of Paleoecology* Micropaleontology* Physical Science* Special Topics: Dinosaurs * Special Topics: Environmental Geochemistry * Survey of Earth Science I * Survey of Earth Science II * True Maroon First Year Seminar

Graduate Courses

Earthquakes and Volcanoes * Geology & Geoheritage of the National Parks * Geology I: Processes and Products * Geology II: Earth and Time * Geology of North America * History of Life * Micropaleontology * Paleontology of Dinosaurs * Philosophy and Ethics in Geosciences * Principles of Paleobiology * Principles of Paleoecology * Special Topics: Dinosaurs * Special Topics: Environmental Geochemistry * Special Topics: Scientific Visualization

SERVICE

Professional Societies: Editorial Duties

Society Books Editor, Geological Society of London, 2024.
Editor, *Geology's significant sites and their contributions to geoheritage*. (2024). Geological Society of London, Special Publication 543.
Editor, *The Evolution of Paleontological Art*. (2022). Geological Society of America Memoir 218.
Co-Editor, *Museums at the Forefront of the History and Philosophy of Geology: History Made, History in the Making* (2018). Geological Society of America Special Paper.
Associate Editor; W. Mayer, R. Clary, L. Azuela, T. Mota, & S. Wolkowicz (eds.) (2017). *History of Geoscience: Celebrating 50 Years of INHIGEO*. Geological Society of London, Special Publication 442, Geological Society of London. SP442.36.

Guest Associate Editor; Libarkin, J., Clary, R., & O'Connell, S. (2014-2019) Human dimensions of geosciences themed issue. *Geosphere*, 13(3).

Editor, Rock Stars column, *GSA Today*, 2015-current.

Reviewer, Association for Science Teacher Education, National Association for Research in Science Teaching

Reviewer, *Earth Sciences History*, *Geosphere*, *GSA Today*, *International Journal of Science Education*, *Journal of the Mississippi Academy of Sciences*, *Journal of the Geological Society*, *Journal of Research in Science Teaching*, *Journal of Geoscience Education*, *Science and Education*

Professional Societies: Leadership Roles

American Geosciences Union: Panel Discussion convener, 2017, 2019

Association of Women Geoscientists: Alternate Southeast Delegate, 2023-2024

Geological Society of America: Campus Representative, 2015-present; Education Committee, 2019 – present, Chair (2022 – 2023, Vice Chair 2021 – 2022); History and Philosophy of Geology Division: Chair (2013-2015), Vice Chair (2011-2012); Second Vice Chair (2010-2011); Nominating Committee (2008-2010, 2015-2020); Joint Technical Program Committee Division Representative (2012 – present); Webmaster, 2015 – 2023; Pardee Convener, 2013, 2015, 2021, 2022, 2023; Topical Session Convener, 2014, 2015, 2016, 2017, 2021, 2023; Southeast GSA Regional Topical Session Convener, 2021; GSA Division Chairs Division Creation Process Subcommittee, 2014-2015; GSA Division Chairs Sunsetting of Divisions Subcommittee, 2014-2015; GSA Division Chairs Interdisciplinary Interest Groups (IIG) versus Division Clarification Subcommittee, 2014-2015

History of Earth Sciences, and Society: Past President (2023-2024); President (2021-2022); President Elect (2019-2020); Councilor (2014 – 2016); Nominating Committee (2016 – 2017)

International Commission on the History of Geological Sciences (INHIGEO): Organizing Program (2013-2014)

International Union of Geological Sciences, Councilor, 2026-2030; US Delegate to the International Geological Congress, 2024

Japan Geosciences Union: Panel Discussion convener, 2020

National Association of Geosciences Teachers (NAGT): State Representative (2014 – present)

National Earth Science Teachers Association: State Representative (2008 – present)

National Science Teachers Association: *NSTA Reports* Advisory Committee (2012 – 2015)

School Science and Mathematics Association: Awards and Endowment Committee (2011 – 2013)

Society for College Science Teachers: President (2023-2024); President Elect (2022-2023); Mississippi Representative (2013 – present)

State of Mississippi Service

Mississippi Science Festival Advisory Board (2024)

Mississippi StateMap Advisory Committee member (2021-present)

Mississippi Academy of Sciences: Co-Chair, Science Education Division (2021-2022); Chair, Science Education Division (2013-2014); Vice Chair (2012-2013); Poster judge (2012-present)

Gaining Ground Sustainability Institute of Mississippi: Board Member (2011-2014); Finance and Personnel Committee (2011 – 2014)

Mississippi Science and Engineering Fair, Governance Board Member, Region V (2014 – 2017)

Mississippi Science Standards Revision Task Force: Board Member (2015 – 2017)

Mississippi Master Naturalist: Instructor and Curriculum Committee Member (2008-2010)

Mississippi State University Service

Dunn Seiler Museum: Director (2008 – present)

Mississippi State University, Colorblind Initiative (2023 – present)

Mississippi State University Campus Tree Advisory Committee (2014- present)

Mississippi State University Faculty Art Incentive Committee (2010)
Mississippi State University Instructional Improvement Committee (2015 – 2018)
Mississippi State University International Institute Advisory Committee (2016 – 2018)
Mississippi State University Maroon Edition Planning Committee (2012 – 2018)
Mississippi State University Museums and Galleries Committee (2008 – present)
Mississippi State University Robert Holland Faculty Senate, Senator (2015 – 2018)
Department of Geosciences: Graduate Coordinator (2016 – 2020)
Department of Geosciences Award Committee, Chair (2013 – 2023)
Department of Geosciences: Distance Learning Action Subcommittee (2016 – 2018)
Department of Geosciences: Geosciences Promotion and Tenure Committee (2013 – present)
Department of Geosciences: Graduate Faculty Committee (2006 – present)

Research Groups

15 Degree Laboratory: Director (2014- present); <http://15degreelab.com>
EarthScholars Research Group: Co-Director (2002 – 2013); Director (2014-present); <http://earthscholars.com>
MSU GeoViz Virtual Scanning Laboratory: Co-Director (2018-present)

CONSULTING

Barton Arboretum: Appointed Plant Science Trail Designer, Palmetto Trail, Burden Research Center (Dr. C. P. Hegwood, Director). 2004-2009.
California Environmental Education Foundation (CEEF): Research reviewer and editor for research and practitioner manuscripts, 2015-2017.
Cengage Learning/Brooks-Cole: Editor, selection and scripts for video footage for “Climate Change,” ancillary for natural hazards and geology textbooks (in conjunction with ABC News); Editor, Instructor’s Manual and Instructor’s Test Bank, Wicander and Monroe *Historical Geology (6th edition)*; Developer, critical thinking questions for natural hazard and Earth science videos (in conjunction with ABC News and the BBC); Illustration consultant for physical geology textbooks, Monroe and Wicander, authors.
Missouri Botanical Garden: Interpretative Science Signage System Consultant, Doris I. Schnuck Children’s Garden: A Missouri Adventure (Dr. Peter Raven, Director). 2004-2006.
McGraw-Hill: Visualization Symposium Reviewer and Participant for *Exploring Physical Geology*
Thomson Learning: Electronic Interactive Response System Consultant, JoinIn™; Editor, Instructor’s Manual, Wicander and Monroe *Historical Geology (5th edition)*; Editor, selection and scripts for video footage for natural hazards and geology textbooks (in conjunction with ABC News)
